EDITION MARCH 2014

READY TO DELIVERY
NEWS

Pronta consegna

Comec Group ha deciso di aprire un nuovo servizio a supporto dei propri distributori generando nuove opportunità per i clienti che necessitano soluzioni tecnologiche finalizzate all'ottimizzazione dei tempi di produzione e al miglioramento della qualità, in pronta consegna.

Il nostro invito a promuovere l'iniziativa per non far mancare al vostro cliente le macchine migliori nel momento del bisogno.

*Sostieni con noi il "ready to delivery",
la soluzione giusta nel momento giusto.*

Ready to delivery

Comec Group has decided to open a new service to support its own resellers creating new opportunities for customers who need technological solutions ready to deliver, aimed to optimize production times and to increase quality.

Our invite is to promote the initiative in order not to make yr. customer run out of best machines in time of need.

*Support with us the "ready to delivery"
The right solution at the right time*

Listas para envío

Comec Group ha decidido dar un nuevo servicio de apoyo a nuestros propios distribuidores, generando nuevas oportunidades para sus clientes que necesiten soluciones tecnológicas para la optimización de los tiempos de producción y la mejora de la calidad, "listas para envío"

Les invitamos a promover la iniciativa para que no les falten a sus clientes las máquinas que mejor se adaptan en cada momento a las necesidades concretas.

*Apoye con nosotros el "ready to delivery".
La solución adecuada en el momento adecuado*

STRETTOI - CLAMPING MACHINES – PRENSAS

 <p>SP 1 R</p>		
<p>Strettoio oleodinamico pieghevole per davanti sedie</p>	<p>Folding oleodynamic clamping machine for chairs' front part</p>	<p>Prensa oleodinámica plegable para parte delantera sillas</p> 
 <p>SPL 3 R</p>		<p>Prensa oleodinámica plegable para respaldos</p> 
 <p>FSR 4+2</p>		<p>Prensa oleodinámica a fosa para montaje completo silla</p> 

READY TO DELIVERY..

STRETTOI - CLAMPING MACHINES – PRENSAS

 <p>FS R 5+2</p> <p>Strettoio oleodinamico a fossa per assemblaggio completo sedia</p>	 <p>Oleodynamic pit clamping machine for complete chair's assembling</p>	 <p>Prensa oleodinámica a fossa para montaje completo silla</p> 
 <p>FS R 6+2</p> <p>Strettoio oleodinamico a fossa per assemblaggio completo sedia</p>	 <p>Oleodynamic pit clamping machine for complete chair's assembling</p>	 <p>Prensa oleodinámica a fossa para montaje completo silla</p> 
 <p>FSA 8</p> <p>Strettoio oleodinamico a fossa aperta per assemblaggio sedie</p>	 <p>Oleodynamic clamping machine with open pit for chairs' assembling</p>	 <p>Prensa oleodinámica a fossa abierta para montaje sillas</p> 

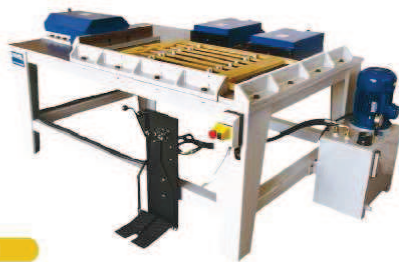

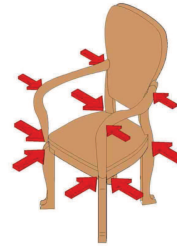

READY TO DELIVERY..

STRETTOI - CLAMPING MACHINES – PRENSAS

FSA 10

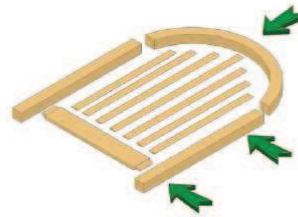

Strettoio oleodinamico a fossa aperta per assemblaggio completo di sedie complete di braccioli

ST 3

Strettoio per assemblaggio testate lettini

Clamping machine to assemble cribs' bed-heads

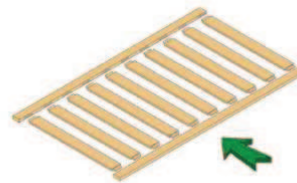

Prensa para montaje cabeceras de cunas

ST 1

Strettoio oleodinamico per assemblaggio telaio reti a doghe

Oleodynamic clamping machine to assemble the frame of lath bed bases

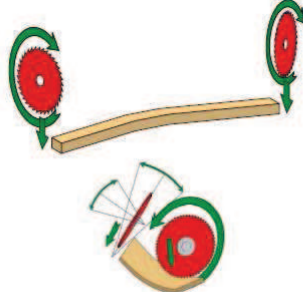

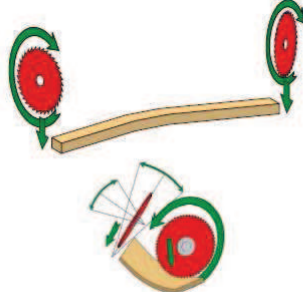

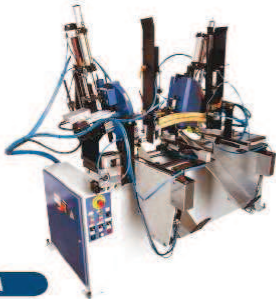

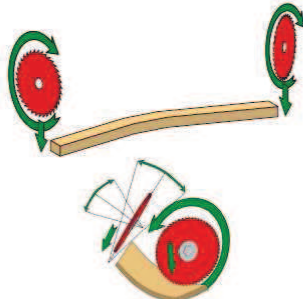

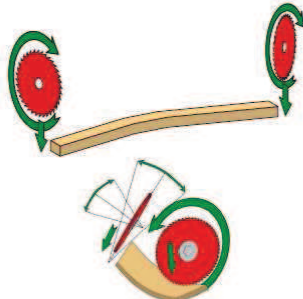

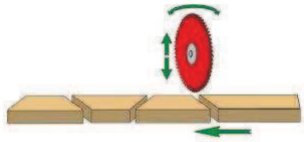

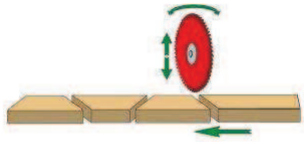

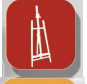

Prensa oleodinámica para montaje bastidor somiers de tablillas

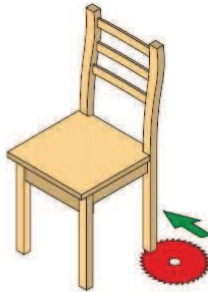

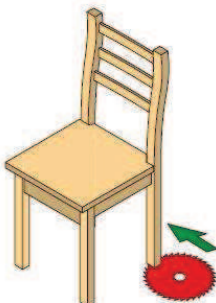

READY TO DELIVERY..

MACCHINE VARIE – OTHER MACHINES – OTRAS MAQUINAS

 <p>TD 1200</p> <p>Troncatrice doppia a lame inclinabili</p>	 <p>Double cutting machine with inclinable saw blades</p>	 <p>Cortadora doble con hojas inclinables</p> 
 <p>TD 1200 CA</p> <p>Troncatrice doppia a lame inclinabili per gambe e spalliere con caricatore</p>	 <p>Double cutting machine with inclinable blades for legs and chair backs with loader</p>	 <p>Cortadora doble con hojas inclinables para patas y respaldos con cargador</p> 
 <p>TAC 1 CA 1 UF</p> <p>Troncatrice angolare con caricatore per gattelli</p>	 <p>Angular cutting machine with loader for corner blocks</p>	 <p>Cortadora angular con cargador para escuadras</p>   

READY TO DELIVERY..
